Wonder Woman is 2017 American superhero film based on the DC Comics character of the same name, distributed by Warner Bros. Pictures. It is the fourth installment in the DC Extended Universe (DCEU). The film is directed by Patty Jenkins, with a screenplay by Allan Heinberg and a story by Zack Snyder and Heinberg, and stars Gal Gadot as the title character. After defeating her evil half-brother, Zeus sent baby Diana to Earth where she was raised as a young girl named Diana in the seaside village of Themyscira. After American pilot Steve Trevor crashes off the shores of the island and is rescued by Diana, she learns about the ongoing World War I and opts to use her gift of strength in order to help fight against the war. Principal photography began on November 21, 2015, with filming taking place in the United Kingdom, France and Italy before wrapping up on May 9, 2016. Additional filming took place in November 2016. The film was released on June 3, 2017, in the United States by Warner Bros. Pictures, and received positive reviews from critics, who praised Gadot's performance as Wonder Woman, Jenkins' direction and the action sequences as well as praise the film's representation of women. It became a box office success with a worldwide gross of over \$821 million and has also gained a nomination for two Academy Awards: for Best Costume Design and Best Production Design.
